

**Dear Students,**

We're delighted to invite you to a **Vertex AI Workshop**, where you will gain hands-on experience with Google's latest AI tools and earn a **Google Skill Badge** to help your CV stand out.

**In this 3-hour session, you will:**

- Learn how to build a multi-modal GenAI application
- Get insights directly from Google experts
- Develop practical skills you can showcase to future employers

**Spaces are limited, so register early!**

 **Location:** Maxwell Centre

 **Date:** Thursday, 7<sup>th</sup> May 2026

 **Time:** 13:00 – 16:00

 **Registration:** Via the Cambridge Portal as instructed

To take part, please also create a **Google Skills account** before the session and join on your **laptop**: [Skills.Google](https://skills.google)

We look forward to seeing you for an inspiring and hands-on learning experience!
