Prof. Dr Pedro Beltrao (8 October)

ETH Zurich

Talk title: Protein interaction-based neural network models linking genotype to phenotype

Hosted by: Heather Machado

Dr Francesco Paolo Casale (22 October)

Helmholtz Munich; Human Technopole

Talk title: tbc

Hosted by: Gamze Gürsoy

Jamie Blundell (5 November)

Early Cancer Institute, University of Cambridge

Talk title: tbc

Hosted by: Heather Machado

Benjamin Schuster-Boeckler (19 November)

Ludwig Institute for Cancer Research, University of Oxford

Talk title: tbc

Hosted by: Michael Boemo
