

Cambridge Centre for
Data-Driven Discovery

Research Symposium

22 April 2020

Lightning Talks with Posters Abstract Call

University of Cambridge PhD Students and Early Career Researchers

Applications open 3 February 2020

Closing date 1 March 2020

Full details on the event website [here](#)

C2D3 are looking for talks that showcase the depth and breadth of data science applications from the University, and research that industry will find interesting and informative. A prize will be awarded to the best lightning talk with poster, assessed by our industry colleagues.
