Interested?

Further information regarding MRC Boards and Panels can be found on our [website](#).

A full list of vacancies and details of the application process can be found here www.mrc.ukri.org/about/our-structure/research-boards-panels/mrc-board-panel-vacancies/

The MRC values the diverse skills and experience of the members of its Boards and Panels and is committed to achieving equality of treatment for all. The MRC particularly welcomes applications from currently under-represented groups; female and ethnic minority researchers and from researchers with disabilities.

The closing date for applications is **Monday 5 October 2020**
